SPRING & AUTUMN

April–June and September–October: build around golf, 4x4 discovery, vineyard lunches and ocean experiences when conditions allow.

A DIFFERENT WINTER ESCAPE

November–March: focus on meetings, gastronomy, wellness and flexible outdoor time, with indoor alternatives for cooler, wetter days.

*Sunshine reference: Quinta do Lago. Temperatures: IPMA Faro climate normals, representing the coastal area; historical averages, not a forecast. Sea conditions, venue openings and daylight shape each programme.

Vilamoura

ARRIVE. EXHALE.

The Algarve is yours.

Faro arrival, ZERO meet & assist, luggage coordination and a private executive coach to the selected hotel. A coordinated check-in gives the afternoon back to the guests.

Sunset drinks by the marina, Portuguese canapés and a light programme briefing. A relaxed welcome dinner sets the tone for the days ahead.

EXPLORE THE HOTEL

MARINA. BEACH. CONNECTION.

An appealing base for bespoke groups. The marina setting, resort comforts and congress facilities keep the programme connected.

Request a coherent room block, dedicated group check-in and a private event space sized to the brief.

MEETINGS & EVENTS

Pine Cliffs

A destination in itself.

STAY FOR THE SETTING

Ochre cliffs, gardens and the Atlantic shape a resort-led incentive. Golf, spa time and sunset hospitality become part of the stay, with room to enjoy the setting.

CELEBRATE ON PROPERTY

A dedicated transfer plan connects this resort to Vilamoura and the maritime programme.

Pine Cliffs Resort. Venue and private-use arrangements subject to agreement.

THE RESORT & CONFERENCE ALTERNATIVE

Algarve Marriott Salgados

GOLF RESORT & SPA

A substantial resort-and-events option when the room block, meeting brief or commercial terms make Salgados the right fit. Pools, golf surroundings and extensive event infrastructure give the stay a different centre of gravity.

AN EXECUTIVE UPGRADE

Hotel Quinta do Lago is an alternative for a more intimate, high-profile meeting or incentive.

MARRIOTT / HOTEL & EVENTS

Marriott International. Transfers follow the selected hotel.

QUINTA DO LAGO

Five days. One shared story.

Four nights balances destination discovery, activity, celebration and time to enjoy the hotel.

DISCOVER BEFORE DEPARTURE

Photo missions, azulejos, local history and regional flavours introduce the destination through light team competition. A group lunch includes substantial vegetarian choices.

THEN FOLLOW THE COAST

Private catamaran or coordinated sailing, with music, refreshments, photography and shared team moments. Swimming and SUP depend on conditions and operator approval. Return for a dinner tailored to the group.

PRIVATE MARITIME EVENTS

MELHOR DO MAR / SAILING

Photograph: AlgarExperience, Melhor do Mar. Quote a certified vessel or staffed fleet for the full group. Final vessel, embarkation point and private format to be confirmed.

The thrill of the team.

BRIEF / PRACTISE / QUALIFY / RACE / CELEBRATE

Practice, qualifying, an endurance race and a podium worth photographing. A private karting format turns competition into a shared story, with rotations and non-driving roles for guests who prefer to support.

DAY 03 / ALGARVE ADVENTURE

Beyond the coastline.

A DIFFERENT VIEW

Private 4x4 vehicles take the team into the countryside: villages, viewpoints, regional architecture and local flavours.

*Discover.

Add a light photo challenge and local stories. A half-day format protects the afternoon reset before the gala.

EXTREMO AMBIENTE / PRIVATE LAND ROVER TOUR

Quote the full fleet and guides. Routing, terrain, tastings and guest suitability are confirmed privately. Photography: Extremo Ambiente.

A more measured pace.

ON THE GREEN

Pine Cliffs' nine-hole course and golf academy offer a setting for an introductory clinic or light team competition. Match the format to the guests' experience.

GOLF & ACADEMY

OFF THE CLOCK

For non-golfers, propose Serenity Spa, a wellness session or premium leisure time. Stagger treatments and tee times, then reunite for the gala.

SERENITY SPA

MORGADO DO QUINTÃO

One more day, well spent. Regional food, olive oil, a walk among the vines and a long lunch that belongs to the landscape.

Time to savour.

Use the estate's wine and food experiences as the reference for a private group day. Shape a hosted tasting around the guests, with non-alcoholic pairings offered on equal terms.
